### Stony Finance Lab

Stony Finance Lab is a community-based finance network that aims to promote personal financial responsibility and helps the community to achieve financial confidence and financial independence through life-long learning. The emails are to distribute news and information on finance research, events, jobs related to personal finance, investments of financial and digital assets, academic finance, and entrepreneurship. All emails are for information sharing only and shall not be deemed as financial advice. The Lab is not liable for the consequence of using any information contained in the emails.
